

## **Your Math Business: Identify Weaknesses**

### **- Know Your Strategy Per Section**

**During and after each question:**

- **rely on your 1st impression**
  - **a. “I own this question.” (20-30secs)**
  - **b. “I think I can do this one.” (30-60secs)**
  - **c. “I have no clue.” (60+secs)**
  
- **If either b. or c., CIRCLE the entire question**
- **Get familiar with every word within the question and answer**
- **Go CHEAT by working with its SOLUTION**
  
- **Time spent on any Math homework question: between 1-2mins per question**
  
- **Time spent on any Math question during a TEST:**
  - **20-30secs EZ & MED questions**
  - **30-60secs Hard Questions**
